Approval of August 2026 Minutes:

- Jill Roby motioned to approve. Amy Scheinler seconded. Minutes were approved unanimously.

Financial Report - Jen Wood

- Registrations stand at 1497, with some players on more than one team (i.e., masters).
- Reported on payment of regular monthly and annual fees.

Data Administrator Report - Jody Lorenz

- Jody has asked Jeremy to make a couple changes in the stat tables. She is trying to add the percentage of potential points for each team.
- She is also trying to organize ratings verification forms, as there have been more instances of people requesting information in this regard.
- Jody mentioned that there is an issue on match time with teams who finish in a tie. Neither appears as the winner. It was suggested that we use the USTA method of determining the winner based on the team that won court 1.

Vice President's Report – Kelsie Williams

- Kelsie has the FB and Inst accounts running. Requested photos. Not too much activity yet.

President-Elect/Secretary's Report – Becca Hatch-Purnell

- Looking at three phases of rule book revisions. First phase is to integrate the appendix sections in to the main document to make it more readable. Second phase is to identify any redundancies, contradictions or rules that are not aligned with what is currently happening. Last phase will be the normal reach out to membership for rule suggestions.

President's Report – Mary Beth Arnett Meagher

- Again, reported that LIRC has made the offer that if a match goes over the allotted 2 hours at another club and no courts are available at that location, the players can call LIRC and if there is a court and they can get there to play within a short period of time, LIRC will allow

the match to be finished at their club at no charge. One team has already taken advantage of this offer.

- Reported that a B1 team had an issue with Springhurst. A player was banned from the club as a result of a negative review and now allowed to play her match, resulting in a forfeited court. It was recommended that the captains try to work out the location of the match/court when these teams are scheduled to meet again at Springhurst.
- Reported that the number of B3 teams has dropped off and efforts are being made to gather potential C level players to grow league base next year. The goal is to get C level players together for a short season in the late winter/spring.

Director Reports

A1 – Jill Roby (Diana Schaller): Incident with exchange of line up. Players played on courts different from lineup that was communicated verbally. Should have resulted in default, but was not pushed.

A2 - Jessica Murr (Kim McCarty): Nothing to report.

A3 - DeAnna Wilson (Lisa Steen): Not present.

B1 - Amy Sheehan (Janice Beavin): Not present.

B2 – Kym Bright (Emily Coxon) Nothing to report.

B3 - Jessica Scheiner (Mary Jane Valentine): Nothing to report.

M1 – Anne Offutt (Cathy Dahlem): Heat has been an issue.

MM - Amy Scheinler (Deanna Gordinier): Feeling among players that season should not start until September and should have only 3 rounds.

M2 - Dottie Lubber (Tracye Cobourn): Nothing to report.

Motion to adjourn made by Jill Roby and seconded by Kym Bright. Meeting adjourned at 6:00PM.
